7486 Wachs, Paul. L'Elegante. Mazurka de Salon. Grade V..... .40

A very showy drawing-room piece by the well-known French composer. The mazurka rhythm is used as the basis for arpeggiated figures and other interesting passage-work. The middle section has a graceful melody for the left hand.

CORNET AND PIANO

8119 Engelmann, H. Melody of Love. (Cornet and Piano.) Grade III..... .50

In response to repeated demands this tremendously popular composition has been awanged for cornet and piano. The arrangement is effective and not at all difficult, affording excellent opportunity for the solo instrument.
